Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

As correctly indicated by the Applicant on the Remarks dated 1/14/2010, "On August 19, 2009, a Non-Final Office Action was issued in this application. The Non-Final Office Action was mistakenly characterized in the PAIR by the USPTO as "a Final Office Action." On November 19, 2009, Applicants have filed an Amendment in response to this Non-Final Office Action. The USPTO has mischaracterized this Amendment in the PAIR as "an Amendment under Rule 116 in response to the Final Office Action". Based on the above mischaracterization, the Advisory Action was issued on December 23, 2009". This communication is to inform the Applicant to disregard the previous Advisory Action.
